QUO Vadis

L to R: Mr. William Taylor, English Department -Dramatics, Mr. Greg Stewart, Band Director, Music instructor, Mr. Joseph Sendrowski, Industrial Arts, Athletic Trainer.

The Quo Vadis award is a means of recognizing the outstanding performance and dedication by a member of the faculty of Shepherd Hill on a yearly basis. Selection of the teacher to receive the award is based on a survey of the teaching staff at Shepherd Hill each year. The sponsor of the award is the Quo Vadis Club of Webster and Dudley.

Mr. Sendrowski made the following statement about his attitude toward the teaching profession; "Teaching is most rewarding and satisfying because it is a never ending challenge. It challenges many aspects of a teacher: his intelligence, his ability to grow, organizational skills, patience, and social skills. It is very demanding and often stressful job that keeps a teacher on his toes in order to be successful. Seeing the satisfaction on a student's face when he masters what has been taught and helping a student develop his self-esteem and self-respect because of his success in academics is the most gratifying part of teaching.

The other reasons why I enjoy teaching are: working with professionals, the time allowed to pursue other activities such as community service; and because of the summer vacation."

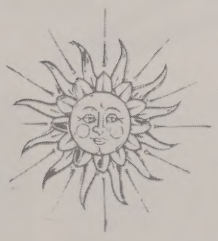
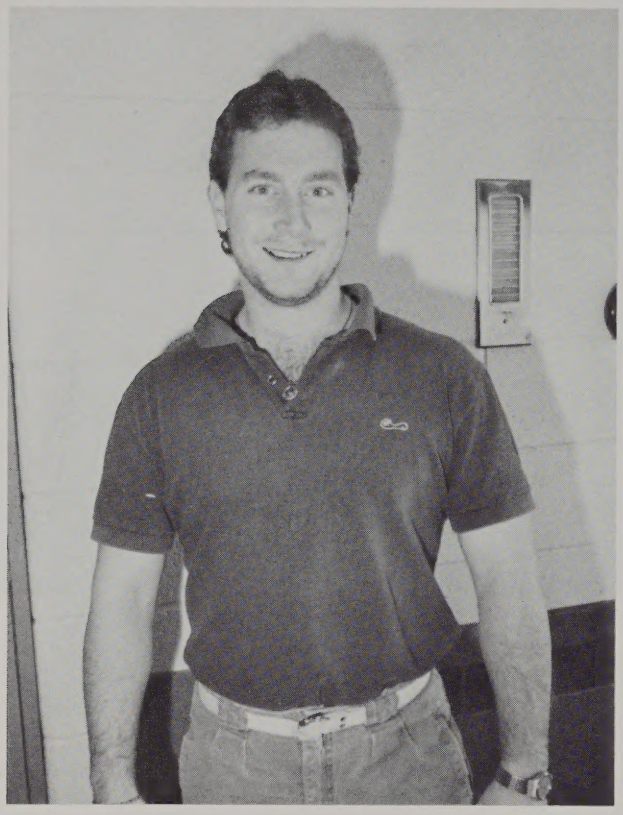
Nurses: L to R, Mary Gould, R.N.; Theresa Lusignan, aide.



Special Education Office Staff: L to R, Mrs. Joann Gagnon, secretary; Mr. Robert Galante, Director of Special Education; and Mrs. Jane Grossi, secretary.

Thank You from the Class of 1987



Michael Daley

As we, the Class of 1987, come to the end of our high school years, we take time to look back and acknowledge those individuals who have guided us, encouraged us, and prepared us for what we are today. Exactly who it was, we cannot say, because so many have labored together, each giving of himself in "Lighting the Way" by deepening our perception, increasing our knowledge, and broadening our horizons. The Class of 1987 wishes to express our appreciation to our teachers, parents, and friends, for without their constant concern and support, we would not have achieved and accomplished all that we have.

We wish to thank Mrs. Barbara Bartolomei and Mr. Michael Carlson. With their guidance as class advisors, we were able to build a strong foundation on which to reach our many goals.

We also wish to give special thanks to Mr. Michael Daley. Although last year was his first at Shepherd Hill, he was willing to accept the responsibility of being our class advisor. In doing so, he unselfishly devoted much energy for our benefit.

The time, effort and care these three have contributed to our class have helped in making our high school years the best that they could be!

Barbara Bartolomei

CONTRACT FOR LIFE

STUDENTS AGAINST S A D D DRIVING DRUNK

BETWEEN FRIENDS

As students at _____, we recognize that many of our fellow students and friends choose to use alcoholic beverages and, that on occasion, some students may find themselves in a potential DWI situation.

Therefore, we have entered into a contract in which we agree that if we are ever in a situation where we have had too much to drink, or a friend or date who has had too much to drink, we will seek safe and sober transportation home.

We, the undersigned, also agree that we will provide or arrange safe, sober transportation home for each other should either of us face a situation where we have had too much to drink.

If we cannot find safe transportation, we will contact a taxi service, walk or stay the night.

Student government is the actual application of our democratic system within the guidelines of our high school. Student council representatives have quite the same responsibilities as our state and local representatives. They are required to listen to and act upon proposals brought forth at the council meetings. Their vote should always reflect the wishes or opinions of those who elected the councilor to represent them.

Our student government representatives are aware that freedom is always coupled with responsibilities. They are also aware that laws and rules are written for the good of the majority not for the whims of the minority. Occasionally, laws and rules must be modified in order for a system to function properly. These changes, however, should come about only after serious consideration, discussion, and thought, sometimes the majority chooses to leave the existing rule or law intact and the representatives must accept the decision. (Having the knowledge that their vote has been cast.)

Our student government representatives also plan school activities such as dances, trips and spirit week activities. This is a major responsibility of our student government.

The Junior Student Council is a group of twenty-six elected representatives of both seventh and eighth graders. The council is a service oriented organization that traditionally honors or recognizes groups or individuals for achievement or service to the school. This Christmas the council recognized the Cafeteria and Janitorial Staffs for their selfless dedication to the school community.

In addition the council sponsors a number of dances, swimming, ice and roller skating outings offering the students an opportunity to enjoy each others company after school.

Mr. Paul Patenaude
Advisor

The Junior Student Council is the junior high student's first experience with the structure of student government. The junior high students first discover that to be a member of the council they must first be elected by their peers. Students then begin campaigning for their positions. Posters soon start dotting the corridors and hallways. Many of the posters made are quite creative and eye catching. Finally, election day arrives and the votes are cast.

The newly elected councillors soon discover that there is much work to be done such as preparing the schedule of after school activities for the 7th and 8th graders. Skating parties, swimming, dances, and other activities require a great deal of preparation and planning. The Junior Student Council performs important services and takes time to recognize others for their services.

A Tribute to Marianna Torraca

I feel this quotation from Helen Keller brings Marianna to mind: "The most beautiful things in the world cannot be seen or even touched. They must be felt with the heart."

Marianna touched everyone's heart.

Leslie Manthos

"Happiness is the art of making a bouquet of those flowers within your reach."

Dianne Dubsky

Her 1982 yearbook photograph tells the whole story.

Paul Patenaude

Marianna-
A rare, warm, and wonderful teacher and friend. Although life was never easy for her, she never complained. After her mother's death she had to devote herself to bringing up her younger brothers and sisters. Thus Marianna had to wait until she was 30 to earn her college degree.

Instead of being bitter, she grew more concerned with the problems of others, more thoughtful, more generous of her time and money on behalf of those less fortunate, especially her students. Kind, sympathetic, creative, forthright, courageous, confident for those with overwhelming problems, she had left an impact on many. Even her physical problems could not banish her sense of humor or optimism. It was always fun to visit with her or to go out to dinner or to share her love of Pavoratti.

Marianna loved life and bravely faced the inevitable. Her last thoughts, as she lay in the hospital, were of some of the students who had been closest to her. Taking off her three silver bracelets, without a tear, she said, "Here, give these to___, ___, and___." She died as she had lived, thinking of others, leaving the world a little better for her having lived so unselfishly.

Adele Davis

"One hundred per cent"— this was a phrase Marianna used very often. To me it sums up what Marianna's life was: the giving of herself one hundred per cent for her students, her colleagues, her friends, her family. She had the unique quality of never keeping anything back of herself, of always being forthright and candid. She was the "genuine article"— impatient with fakery of any kind, honestly discussing her own human foibles but asking only that she be accepted for who she was. In return she expected from those to whom she gave her friendship A Single Quality- sincerity. As a professional and as a person Marianna always gave one hundred per cent.

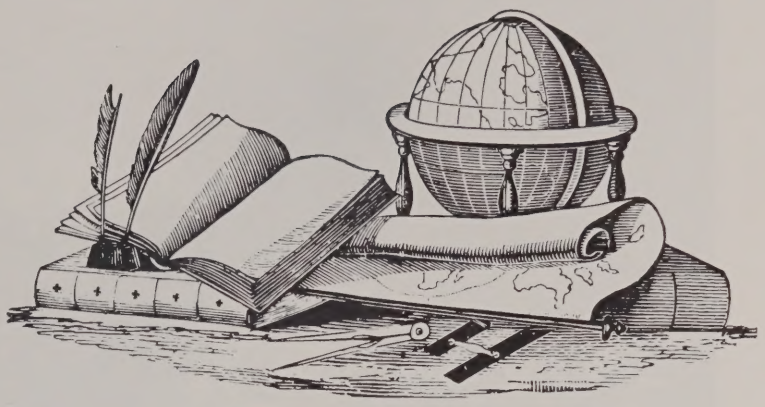
Yearbook Staff



A never-ending search for perfection

The 1987 edition of Country Roads is finally here. We have done some things differently but others have remained the same. We have also realized that although you can set your sights on the stars you often have to settle for a low Earth orbit in order to meet deadlines. Some people will be pleased with the book and others won't. We expect that, but we also hope that people will understand that you can't please everyone all of the time.

The yearbook staff was young this year with only a handful of seniors on the staff. We hope many of the things that we've encountered this year will help us in making next year's book even better.

We would like to thank Mr. Furtado for giving his time, even during vacation weeks, and for giving us the necessary push when nobody really wanted to work. We would also like to thank the people who produced things when asked as well as the teachers and coaches who helped us when asked to write up something.

I wish the seniors on the staff the best of luck in the future and hope those of us still here can survive for another year to produce another great yearbook.

In Memoriam

These hearts were woven of human joys and cares,
Washed marvellously with sorrow, swift to mirth.
The years had given them kindness. Dawn was theirs,
And sunset, and the colors of the earth.
These had seen movement, and heard music; known
Slumber and waking; loved; gone proudly friended;
Felt the quick stir of wonder; sat alone;
Touched flowers and furs, and cheeks. All this is ended
There are waters blown by changing wings to laughter
And lit by the rich skies, all day. And after,
Frost, with a gesture, stays the waves that dance
And wandering loveliness. He leaves a white
Unbroken glory, a gathered radiance,
A width, a shining peace, under the night.

Scott

You died yesterday,
No one knew what to say.
I tried to deal with my feelings,
Though I did not know how.
I thought it would hurt less with time,
I was wrong, it hurts more now!

It is like a nightmare,
We are all in together.
They say life must go on,
But I ask, "How could it be the same,
ever?"

We love you Scott,
More than you knew,
We are only sorry our years together,
were so few.

I only hope as time goes by,
We all remember what you gave us,
Without having to cry.

You are gone now,
There is nothing we can do.
But thank God for the times,
We were able to share with you!

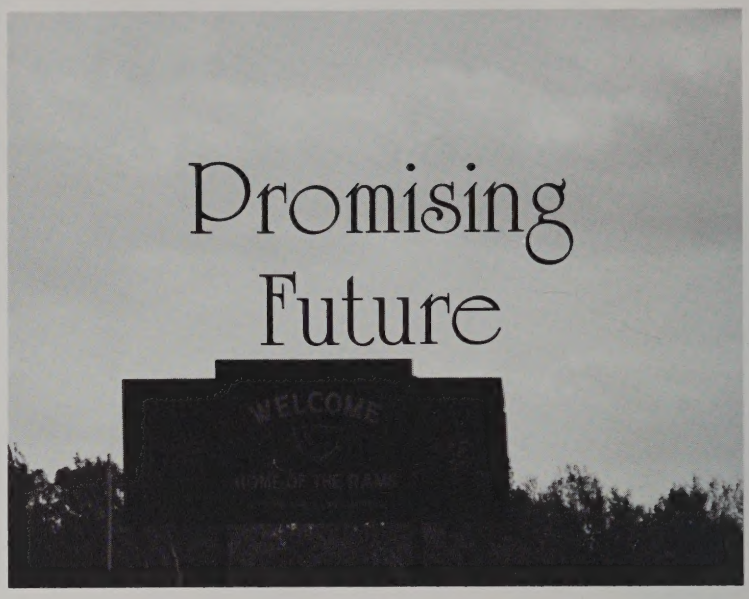
Promising Future



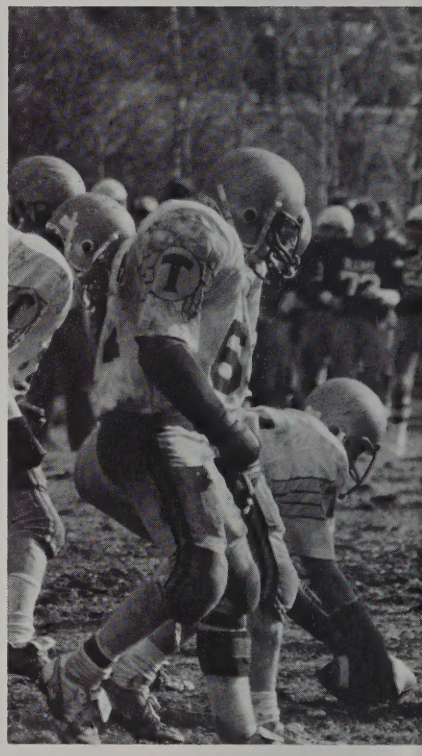
Tragedy struck Shepherd Hill and devastated the football team when junior Scott Simone was killed during the first week of practice. A returning starter and spirited leader Scott's loss was far greater than just athletic. With commitment and enthusiasm the team bound together and dedicated its season to Scott.

After a shaky two game start in which eleven of twenty-two positons were not manned by starters, the Rams played their first conference clash against Southbridge. Giving up a blocked punt for a devastating touchdown and another on an 84 yard run, the young Rams still showed grit and promise ending in a score of 26-12. Auburn was next and once again the maroon gave up a quick score in the first half. Shutting the Dandies out the next three periods the Rams roared back for 22 points. The final score was Shepherd Hill 22 Auburn 8.

Arch-rival Bartlett was next. Falling behind by 21 points the troops regrouped and stormed back. Beating Bartlett for three quarters 19-7, the first period blitz was the Rams undoing, and they fell 27-19. Clinton came to town followed by a trip to Worcester to face South. The script remained the same. Giving up early leads and staging late comebacks. The low point of the season had to be traveling to Fitchburg in a downpour to face St. Bernards. With the Ram passing game shut down by the elements the senior ladened Bernards prevailed 29-6.

Next, Amherst visited Dudley and found the experience devastating. The defensive unit put a whole game together and allowed but 5 total yards to Amherst. Offensively we produced 22 points and the second win was posted 22-8.

Thanksgiving brought about Tantasqua. Playing on a rain saturated field, it was the only game of the season where the Rams enjoyed a size advantage and they took full advantage of it. They manhandled the Warriors all



day. The highlight of the afternoon was Kyle Kunkel's return of a fourth period punt from 37 yards out.

During the season, co-captains Max Burdick and Mike Favreau provided mature and steady leadership. Seniors Scott Favreau, Bill Sgariglia, Chris Gramstorff, Dan Teguis, Jeff Perzichino, and Joe Champagne never lost enthusiasm, and never lowered their goals. Godspeed.

Senior Scott Favreau and juniors Ron Springer, Steve Earp, Wayne Darling, and Kyle Kunkel were Border Conference All-Stars. The last four were elected co-captains for the '87 season.

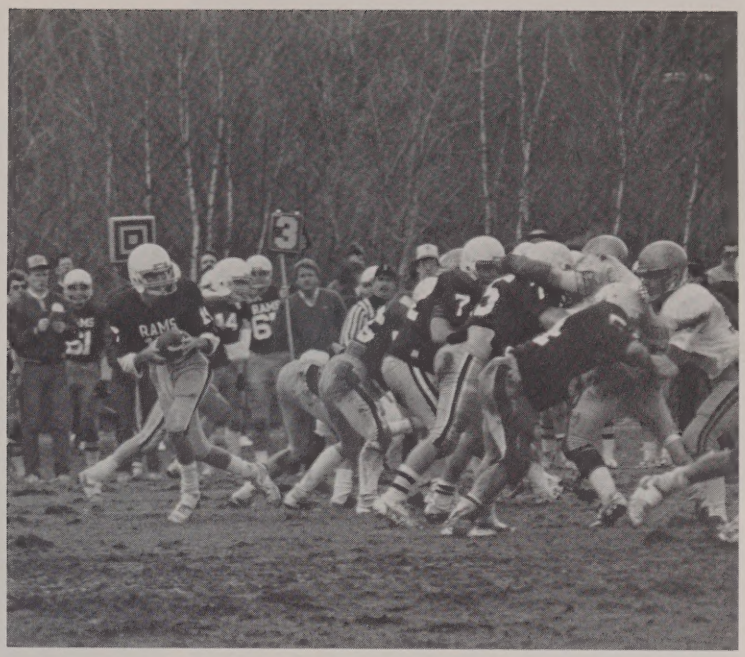
Thanksgiving - Day Game 1986



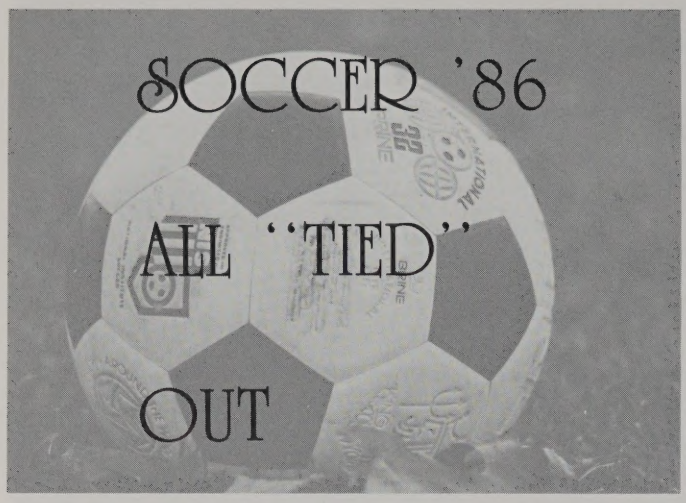
You guys play, I'll take this!

Don't step on my contact!

Now gentlemen, Mr. Burdick has given you the option to surrender before the game.

God! Is that guy ugly!!!

Hey, nice shoes Steve.



The 1986 Boys' Varsity Soccer team ended the year with a 3-6-5 record. The five ties were clear evidence of the many close games played during the season. Led by co-captains Brian Johnson and Steve Bussiere, the boys played with intensity and determination. As noted by Brian Johnson, "We had a lot of good skill, but the ball just didn't roll our way."

The Border Conference All-Stars were Bill Sullivan and Mike Polenski. Mike and David Lawrence were also Central Mass All-Stars.

I sure wish this field were shorter.

Maybe if I just take out his legs I'd have no problem.

All in a day's work for Billy Sullivan.

The Varsity Girls' Soccer team finished the season with a 6-10-2 record. In only their second season of competition the girls, and their record, showed tremendous improvement over their initial season. During the season, Joy Cleveland and Shelly Hultgren were the team's leading scorers.
Jodi Peck and Joy Cleveland were selected to the Border Conference All-Star team.
Additionally, Jodi was also chosen as MVP. Through graduation, the Rams will lose Lynn Foster and Ami Sroczenski, who Co-Captained the team.

HILL HARRIERS GIVE IT THEIR BEST SHOT

The Boys Cross Country Team struggled through a disappointing 7-8 season, following last years Border Conference Championship. The Rams were led by Co-Captains Mike Jarominski and Louis Sroczenski who both were selected as Border Conference All-Stars. Dave Nelson was the most improved performer on the team. The Rams now hope to develop depth for next years team.

The girls Cross Country Team completed phase one of the rebuilding cycle with a 2-5 record. Under the leadership of Co-Captains Deb Duhamel and Kris McGarry, the young Rams won their first meet in over two years. Karen Perzanoski emerged as the dominant runner in the confrence. Deb, Kris, Karen and Sandy LaChapelle were selected as Border Confrence All-Stars. Things look bright for the future as all runner will be returning next season.

FIELD HOCKEY '86

The 1986 Varsity Field Hockey team finished the season with a very respectable 11-5-2 record. Led by co-captains Kate Stochaj, Penny Bond, Allison Toomey, and Karen Jarzabski the lady Rams proved once again that they were a team dedicated to working "together." Playing each game with a lot of enthusiasm and hard work, the girls advanced to the District Championship playoffs. They beat Tantasqua in the quarter-finals played on the home field, but were defeated in a close game by Wachusett in the semi-finals played at WPI.

The Border Conference All Stars were Allison Toomey, Carolyn Gramstorff, Karen Jarzabski, and Kate Stochaj, who was also selected as a Telegram and Gazette All-Star, a Central Mass. Coach's Association All Star, and team M.V.P.

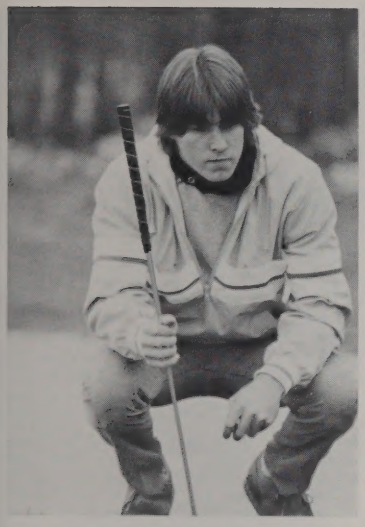
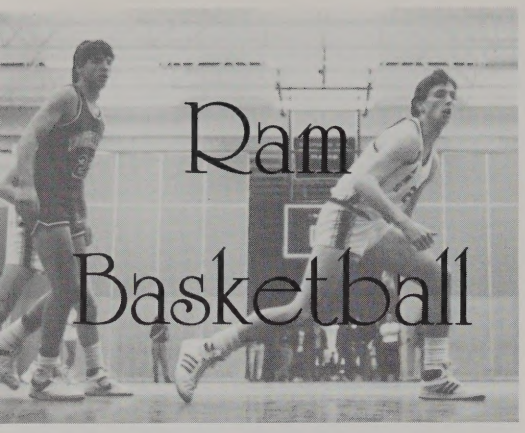
The Winning Tradition



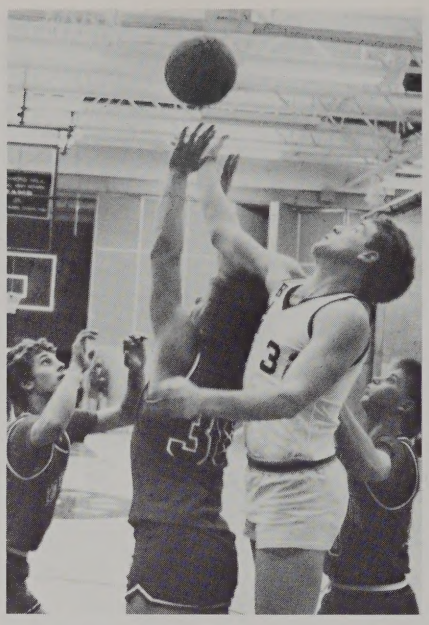
The golf team, led by seniors Paul and Steve Urbanowski, John Yovan, and Steve Zablocki, completed one of the most successful seasons ever at the Hill. Although it will be difficult to better a 14 win-2 loss record, a Border Conference Championship, and district tournament berth, underclassmen are looking with anticipation to the spring when they can continue the winning tradition of the golf team.

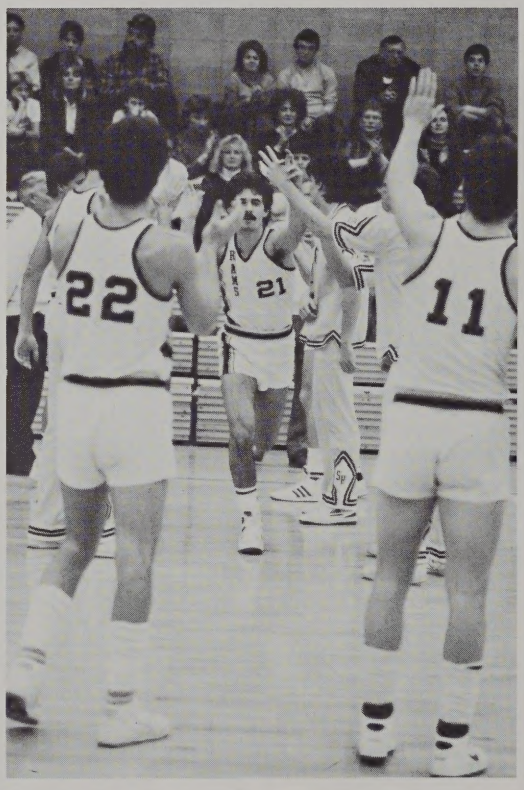


Ram Basketball

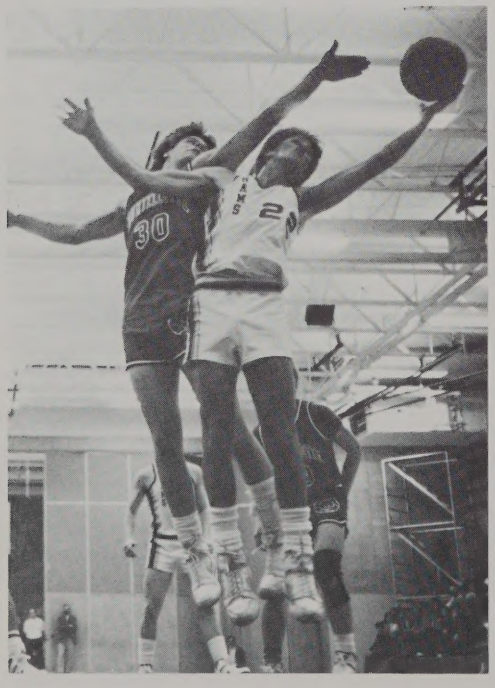
The boys' varsity basketball team finished the season with a respectable record of 14-3. Two of the losses were to a strong Bartlett team which went 17-0. The record gave the team a Clark Tournament berth and a spot in the districts. The team was led by senior starters Chris Jankowski, Dan Teguis, Chris Savoie, Tom Bartolomei, and Brian O'Dea. Off the bench, juniors Ron Springer, Jim Kelly, Matt O'Connor, and Steve Earp received some valuable playing time. Also sophomore Matt Teguis showed great promise.

With the depth and experience of our underclassmen, next year's Rams should have a great year.





Center Chris Savioe gets ready to start.



Dan Teguis goes up for two.

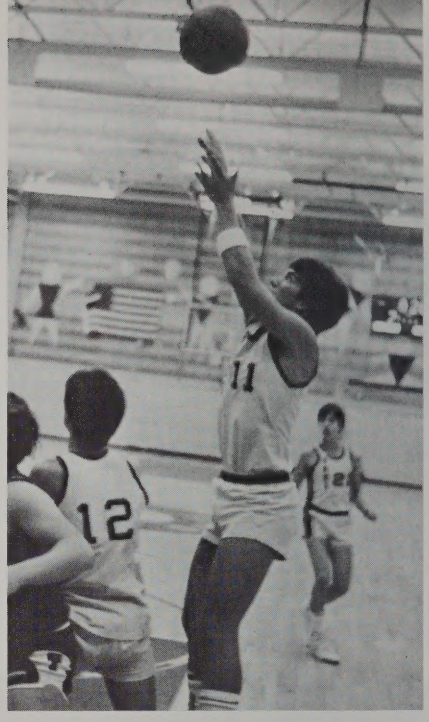
Matt Teguis fights for the rebound.



Brian Ravenelle for two.

The boys' J.V. basketball team had a very successful season. They compiled a record of 14-3 with a Border Conference record of 12-0 giving them the BC title. The three losses were at the hands of Tourtellotte, Algonquin, and Worcester North. They were led by Brian Ravenelle and Matt Dunn along with Gary Miles, Shaune Ducharme, and Matt Teguis. This year's season showed great growth in many of the players and the future of Ram basketball looks in good hands.

Matt Dunn puts one in.

Congratulations Tom!

The students and faculty of Shepherd Hill would like to congratulate Thomas Bartolomei on his fine perforance during his basketball career here at the Hill. This, his senior year, has surely been his best.

The first game of the season Tom broke the Shepherd Hill single game scoring record by putting in 47 points against a tough Worcester North team.

During the third game of the season he scored his 1,000th point on a free throw with 1:56 remaining in the game. This was a pinnacle achieved by only two other Shepherd Hill players.

On February 3, in a home game against Bartlett with the highest attendance ever for a Hill game, both Tom and Bartlett's Ed Grembski set school scoring records. Tom eclipsed his brother John's record of 1311 points on a layup at the end of the third quarter.

On the year Tom has 501 regular season points and a career total of 1375. Once again he had lead the Rams to the Clark Tournament and district playoff spot. We can be sure to see a number of fine performances as the season comes to a close.

Tom has played with the Pride and Unity that Shepherd Hill stands for. He has become a team leader but still remains a team player. Once again we congratulate him and wish him good luck in the coming years as he reaches for bigger and better things. We will miss him on the Hill.

The varsity girls' basketball team had a very impressive 86-87 season ending with a 17-4 record. The Rams were led by seniors Julie Kunkel and Katie Stohaj and junior Shawn Scanlon. The season came down to the last game of the season against Tantasqua. The Rams won it to give them the Border Conference title and a trip to the districts. In the first round of the districts, a loss to division 1 St. Peter Marion put them out of contention. Next year should prove to be a very good one for the Rams.

I bit my lip, I bit my lip!!!

The junior high baseball team experienced a fine season with a record of 8-3. The three losses were at the hands of older teams. Two losses to the Milford freshman and one loss to Rectory accounted for the three defeats. The team was a mixture of 8 seventh and 9 eighth graders. The pitching staff shows great potential. They are Mike Leteller, Brian Sullivan, Todd Wahlstrom Brant Gauthier and Jamie Rulle. Clutch hitters for the team included Earl Gelineau, Chris Allen, Joe Szela and John Neeser. Other squad members contributed to the success of the team, offensively and defensively, were Mike Cushing, Joe Dowling, Scott Aucoin, Bob Shilale, Peter Lataille, Steve Wagner Juan Padro, and Chris Brousseau.

Promising Spirits

After winning the Border Conference Championship last year, the Shepherd Hill Boys Track team ended the 1986 season with a 2-5 record. Although a rebuilding year, several promising performances were recorded notably by David Meciak, a Junior sprinter, and Max Burdick, a Junior field eventer. Senior Co-Captains, Mark Tonkin and Scott Bennard, were both named Border Conference All-Stars.

Breaking Records

The Girls Track and Field team struggled through a 1-3 season. Several meets had to be cancelled during the season for a variety of reasons. Katie Stochaj was the top scorer for the Rams scoring 76¼ points. Sandy Nichols broke the school record in the triple jump with a leap of 29-2¼, and Colleen Healy set a new school record in the 330 low hurdles with a time of 55.4 seconds. Other top scorers and letter winners were Kathy Bantley, Ami Sroczenski and Nikki Gemme. With only one senior gone from last year's team, things look bright for the '87 season.

STARS THAT SHINE

The Girls' Varsity Tennis team finished their 1986 season with a great 15-3 record qualifying them for the district tournament. The team was captained by Sue Kubik and Marta Zurowski. Marta, Sue and Laura Sylyk also competed in the district individual tournament. Sue and Laura made it through the first round before being defeated by the eventual winners of the doubles tournament. Marta defeated many number one single players making it all the way to the semi-finals before being defeated.

Master of Concentration

Here Comes Strike Three

The Girls J.V. Softball team enjoyed a successful season compiling a record of 11 wins and 7 losses. Basic softball skills are stressed at this level, and the girls worked diligently to try and master these skills. Many of these young girls will make significant contributions to the varsity squad both in 1987 and succeeding years.
